

Marilyn's Choice Abutilon
Abutilon sp. 'Marilyn's Choice'

**A very special Abutilon found
at an old church site in
Lafayette, Louisiana. This large
shrub produces 2" flowers with
a yellow "petticoat" and a
red calyx top – ready to twirl
across any dance floor!
Averages 4' tall & grows in sun
or light shade.**

Fuschia Fountains Skullcap

Scutellaria sp.

A wonderful, tough, dynamite perennial from Northern Mexico. Forms a 6" to 8" tall mound of tiny foliage and is smothered with small snapdragon-like fuschia flowers spring to fall in heavy bloom cycles. Sun, good drainage. A very long-lived perennial.

Heidi Sheesley of Treesearch Farms

An unusual & attractive groundcover for part shade that slowly carpets the ground & is covered with long 3''-6'' crimson flowers tassels spring to fall. Evergreen in most Houston winters. Part shade. Moist, well drained soil.

Firetail Chenille
Acalypha pendula

‘David Verity’ Cuphea *Cuphea ignea ‘David Verity’*

**A compact & more refined version of the standard cigar plant. ‘David Verity’ grows into an upright, very full plant with tiny foliage, & is a non-stop bloomer of small tubular orange & yellow flowers spring thru fall. It’s an incredibly tough plant, & doesn’t seem to have any insect or disease problems. It’s a great companion plant for the Mexican Butterfly Weed! Averages 3’ tall. Sun, light shade.

White Cat Whiskers

Orthosiphon sp. 'Alba'

Outstanding spring, summer, & fall blooming tender perennial for part shade gardens. Blooms 12" panicles of white flowers in heavy cycles.

Responds well to pruning.

Grows 3'-4' tall. Prefers afternoon shade or light shade.

Hummingbirds & Butterflies!!!
